

INTRODUCING
Fortivis™ Aluminum Perimeter Fencing
THE RIGHT FENCE FOR THE RIGHT APPLICATION

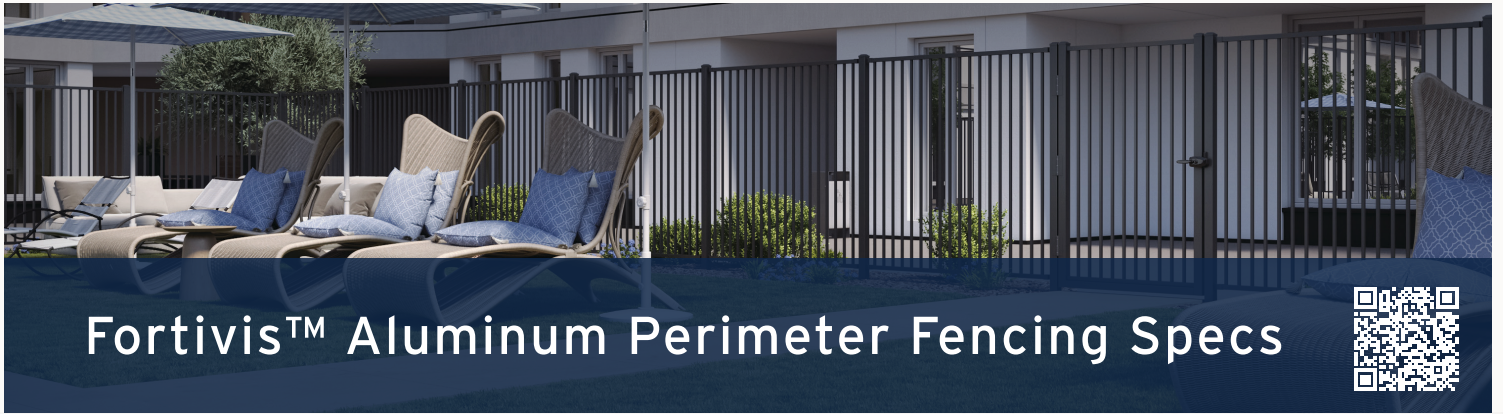

A cost-effective, professional-grade aluminum perimeter fencing system engineered for commercial applications where site delineation matters — without the premium cost of a code-certified barrier.

- ✓ Commercial-grade aluminum with durable finish
- ✓ Panels adjust up to 8° for sloped terrain
- ✓ Installed by Fairway or qualified third parties.
- ✓ Stocked, standardized system for faster delivery
- ✓ Pair Fortivis™ with Fairway Railing for simpler builds.
